Step-by-Step Guide

Step 1: Register on Passport Seva

Create an account on passportindia.gov.in, choosing the Passport Office nearest to your current address.

Tip: Pick the office matching your present address, not your permanent one.

Step 2: Fill the application form

Select 'Apply for Fresh Passport / Reissue' and complete the form online, or download the e-form and upload the XML.

Step 3: Pay and schedule an appointment

Choose 'Pay and Schedule Appointment'. Fees are ₹1,500 for a 36-page normal passport and ₹2,000 for a tatkaal passport.

Note: Appointment slots for popular cities open at a fixed time each day.

Step 4: Print the application receipt

Carry the printed Application Receipt with the ARN barcode to your appointment.

Step 5: Visit the Passport Seva Kendra

Reach 15 minutes early with all originals. Counters A, B and C handle document check, verification and granting.

Warning: Originals are mandatory — photocopies alone will get your application rejected at Counter A.

Step 6: Complete police verification

A local police officer visits your address or calls you to a station. Keep originals ready and respond quickly.

Tip: Track status with your File Number on the portal or mPassport Seva app.

Common Mistakes

- Mismatched spelling between Aadhaar and the application form
- Selecting the wrong Passport Office for your current address
- Not carrying original documents to the appointment
